## REMARKS.

The Album, stated in the summary, is to be bound in morocco, leather-hinged, containing 20 cabinet and blank leaves, viz.:—14 cabinet leaves, capable of holding 112 cabinet portraits (four on each page), and six blank leaves for Views, Groups, &c. If desired the Album can be made with less portrait and more blanks, or *vice versa*; or additional cabinet or blank leaves can be inserted. The cabinet-portrait leaf will hold 8 cabinet photographs (four on a page); and upon each page of the blank leaf can be mounted four cabinet or two  $4\frac{1}{2} \times 6\frac{1}{4}$ , or one  $10 \times 8$  view. If desired, four  $4\frac{1}{2} \times 6\frac{1}{4}$  views can be placed on each page. The binding of the Album will be the same in style and quality as the specimen, a copy of which can be seen at Mr. Notman's studio, Frisbie Place.

*A deposit of Five Dollars will be required on giving order for Album.*

As a rule, the  $10 \times 8$  views are the best, as they generally show more of the surroundings and the buildings more distinctly. The Class Mounts are the ordinary  $10 \times 12$  photograph mount.

Those students who sat for carte-cameo negatives, can have duplicate copies at any time up to the commencement, at \$3 25 per Doz.,—*in orders of not less than one Doz.*,—by sending the order, and remitting the money to Wm. Notman, Frisbie Place.

All orders for Photographs (named in this list) or Albums must be given by the 10th of February, 1875, after which time no orders will be received, with the guarantee of delivery on the 10th of June.

All persons connected with the University have the privilege of ordering pictures from this list at Class rates.

Each student, in giving his order, is requested to keep a duplicate of the same for his future reference.
